A word on Parking and Pick-up:

If you have not already made parking arrangements for your bus, parking at Union Station is probably your best option. It's a short walk to the Capitol, and Rally location from there. As the March ends at a separate location, we advise that your bus pick your group up at Franklin Square, which is at 13th and K St. (Note, your bus cannot park on, but can idle at the curb in order to do a rolling pick-up).
